

The Klauss Event

Video Transcript

Upbeat music plays as you see children doing soccer drills on a field

Darryl Collins, Regional Banking Director for Commerce Bank says, “This is very cool. We have over 100 kids here, and I think 90 parents for this Klauss event. As we all know, Klauss is one of the most exciting players here in Saint Louis. Just an awesome opportunity to give back.”

Joao Klauss, a Brazilian born, professional soccer player in the St. Louis area says,

“Hey, guys. Klauss here. I’m very happy to be part of this event. Very important for kids; How to learn how to use their money, how to spend their money, and I’m very happy to be part of that.”

Darryl Collins – “We have this great handout for the kids today. And just like you have to practice to-be a good soccer player, you have to practice to-be a good saver.”
